

PROTECTA®

Protecta Cloth Tape - Heavy Duty

✓ Hand Tearable

✓ High Tack

✓ Washable

A premium grade waterproof cloth tape in a variety of widths making application fast and easy.

Key Benefits:

- High stick and heavy duty
- Fast and easy to apply
- Easy to hand tear in both directions
- Sticks to smooth, rough and uneven surfaces

Main Applications:

- Premium joining tape for tough boards like Bubble Board XTRA
- MDF and other floor protection sheeting

Important Information:

Taping of the edges of temporary protection rolls, sheets or boards to the finished surfaces could cause damage or leave residue. The purchaser/user must ensure that an appropriate tape is used in every taping application that will not adversely affect the finished surface or product. Some painted/coated surfaces may not be safe to be taped onto and it is the responsibility of the purchaser/user to test/determine this.
