

PROTECTA®

Protecta Dura Foam

✓ Easy Application

✓ Cushioned Protection

✓ Non-Abrasive

This two-in-one solution combines tear resistance with soft foam cushioning, to provide all round protection for your floors and surfaces.

Key Benefits:

- Anti-Slip
- Water-Resistant
- Great impact protection
- Easy to cut, roll out and tape down

Main Applications:

- Premium protection for delicate finishes including tiles, granite, marble, stone, timber, laminate, vinyl, joinery and floating stairs.

Key Recommendations:

Cloth tape is recommended for joining purposes due to Protecta Dura Foam's anti-slip surface.

Code	Dimensions
DF1250	1.2m x 50m

Temporary surface protection is designed to protect surfaces from superficial damage. Users should ensure that the substrate can take the weight of any equipment or materials being used regardless of protection being in place.
