

PROTECTA®

Green Protecta Tape

✓ Hand Tearable

✓ Low Residue

✓ High Visibility

This clean green tape is conspicuous and durable. It is easily hand tearable, saving time onsite.

Key Benefits:

- All weather tape
- Special adhesive technology
- Designed to leave no residue on most surfaces*
- Durable, high vis
- Easy to hand tear off roll

Main Applications:

- Aluminium - interior and exterior
- Taping protection materials to existing surfaces using the two-tape technique

Important Information:

- Not recommended for applications longer than 30 days
- It is recommended to patch test tape to ensure suitability for the surface and application
