

PROTECTA®

Protecta Screen

- ✔ Portable & Modular ✔ Easy to Clean ✔ No Tape or Fixings Required

Use these smart screens to create solid dividers or half transparent dividers, for a safe and portable barrier solution.

Key Benefits:

- Australian Made
- Reusable solution for segregation
- PVC - lightweight and easy to clean
- No fixings required
- Low profile feet - can be fixed down or attached to castor wheels
- Full block out dividers or part transparent panel for visibility

Main Applications:

- Staff Segregation and Amenities
- Warehouse Dividers
- Work Zones and Production Areas
- Screening Barriers and Hygienic Partitions
- Modular Walling
